

KOI 2 PARADISE

GAMEPLAY

- Control a carp, jumping upstream, collecting coins and turn into a dragon!
- Struggle against treacherous environments (dry land, waterfalls...)
- Take advantage from enemies to move on
- Utilize your Stamina wisely for double & triple jumps

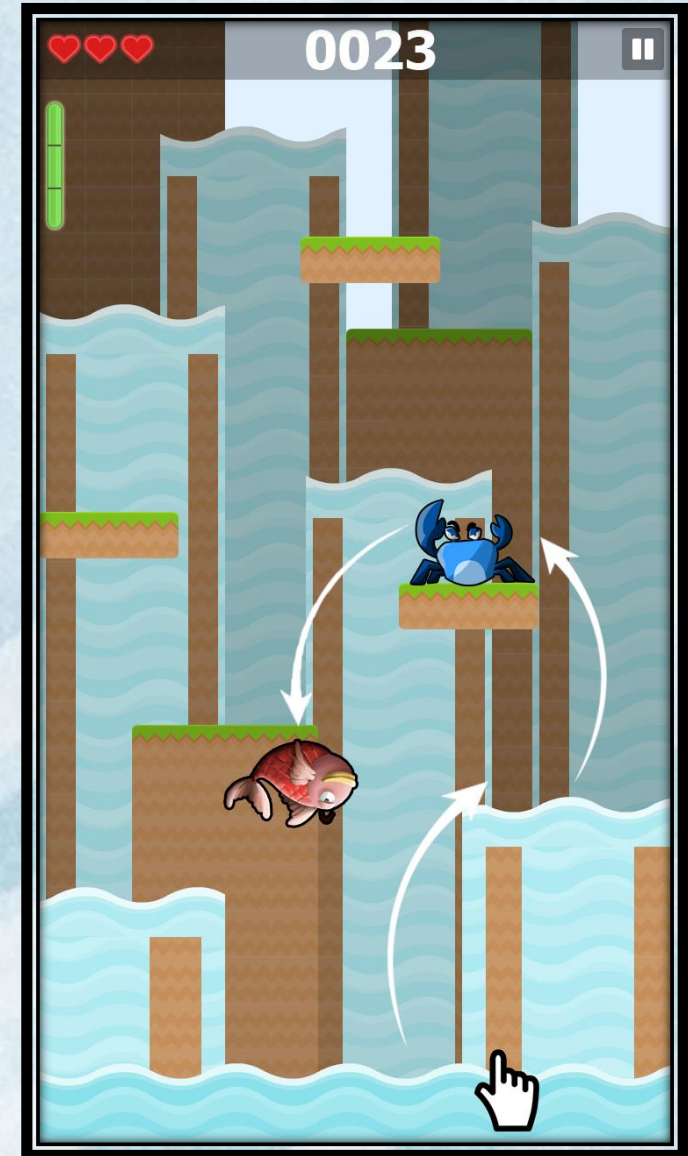

CONTROL

- Tap on the left side of the screen to jump left
- Tap on the right side of the screen to jump right
- Hold & release to jump higher/further

KEY MECHANICS

- Each jump cost 1/3 of Stamina bar (it will quickly refill on water)
- Raging streams will wash you down for staying too long
- Dry land terrain will not restore Stamina and will damage MC over time
- Collide with the screen edges or contact with an enemy will damage the MC
- Collect 9 coins to turn into an awesome dragon, flying upward, and skip several stages

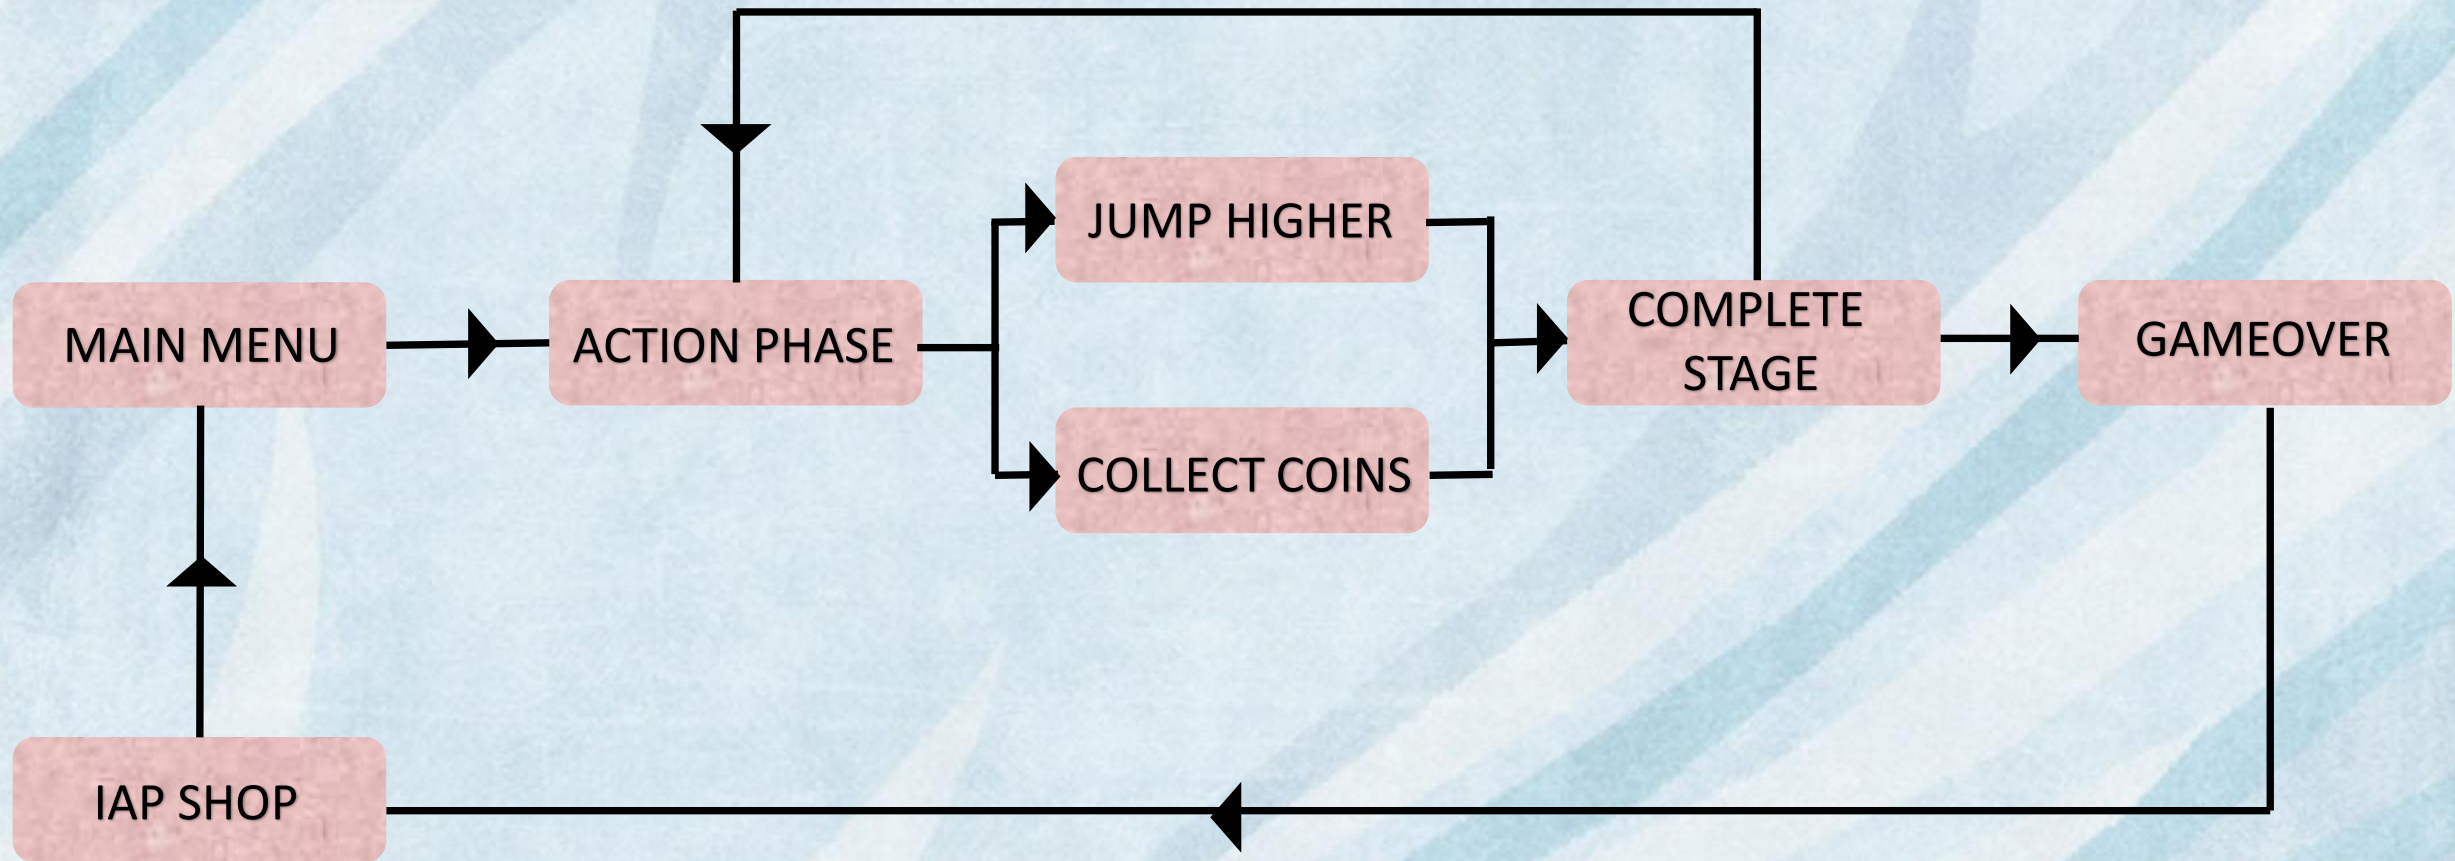

FEATURES

- Collect Coins (soft-currency) to purchase/ upgrade MC
- Various types of MC (fishes & dragons)
- Utilize power-ups and upgrades to have better performance
- Take advantages from enemies & environments to perform awesome movement & scores extra points
- World-wide leaderboard
- IAP Shop with extra themes/ stages/ costumes...

GAMEFLOW

The background of the image consists of soft, flowing, abstract lines in various shades of blue and white, creating a sense of movement and depth. The lines are more concentrated on the left and right sides, leaving a lighter, more uniform area in the center where the text is located.

THANK YOU
